

December 2018 Director's Report

❖ Personnel

- Rosemary Krol attended the December Merri-Hill-Rock meeting.
- Rosemary Krol attended budget meetings. Rosemary has also spent a considerable amount of time on preparing materials for the meetings.
- We continue to plan for the Town Forum. Responses continue to come in from groups that want to be involved.
- Rosemary Krol is organizing the April meeting of the Merri-Hill-Rock organization. It will be held here at the library. Mindy Atwood, Director, Sunapee Library is going to be our guest speaker. She will be speaking on Fundraising.
- The Library collected items for the Care packages for soldiers. Items are being donated the Pease Greeters who ship boxes every month to the troops.
- The Library also has a collection for toiletries for the folks from Lawrence who were displaced due to the gas explosions.
-

❖ Building

- The cabinets have been delivered and Bob is working on building all the counters in the workroom.
- The elevator passed its semi-annual inspection. The price is going to increase next year.
- We presented a request to the Friends of the library to refurbish the meeting room with new chairs, tables and a podium. They voted against purchasing any of the items. They consider chairs and tables to be building maintenance and they said they don't pay for building maintenance.
